**Sunday 9AM-3PM**

You are expected to be open by opening hours. There is to be no leaving before closing hours. The penalties for leaving early are:

**1ST OFFENSE** – You will be fined up to the full amount of your booth rental

**2ND OFFENSE** - You will lose priority on your booth space

**3RD OFFENSE** – You will not be welcomed back to the flea market

The management will perform random spot checks.

There is to be absolutely no driving on the concrete when unloading/loading.

Also, no vehicles will be allowed inside the building during public hours.

Do not park trailers next to the building.

There is to be no selling out of trailers inside the building.

There is to be no selling of any beverages.

Dealers selling food items need to have an okay from the market management and should have a health license.

Hot plates, coffee pots or any other cooking appliances are not allowed.

Portable heaters, whether electric or gas/kerosene, are not allowed. Light bulbs used shall be of low wattage –40 watts or less. Please note: The use of halogen lamps and/or heat presses may limit your booth placement or reduce the availability of a booth space.

Any dealer paying a deposit before the show should expect to pay the balance upon arrival. Deposit for the following show may be made at the same time. Reservations are to be made for the following month on Friday or Saturday.

Market management expects to receive cancellation notice by the Friday prior to the market. If you have paid your booth space and are unable to attend the market, your options are:

1. You can use a roll-over once a year and only for the month following your absent month. Example: If you roll June, the deposit will be good only for July. Deposits will not be carried longer than one month. If you roll and are not present the following month, your deposit will not be refunded to you.
2. If you are unable to attend and wish to cancel, your deposit will only be returned if you cancel prior to Friday of the market and request a refund. Any cancellations made Friday or after will not entitle you to a refund.

3. If you have used your roll-over and cannot attend the market or wish to cancel a month, you must pay for the missed month if you want to keep your current space.

Gordyville is a non-smoking facility. If you need to smoke, please step outside. The Department of Health demands that this policy be enforced. Thank you for your cooperation.
